**"Namme"**: 1h 31min; 2017

Directed by Zaza Khalvashi

Ali's family has inherited a mission - taking care of a local healing water and curing sick fellow villagers with it. Three sons are skeptical and only the young daughter Namme stays as the guardian of family traditions. In parallel, a hydro power station is being constructed locally and environmental changes are at stakes. One day the spring water starts to disappear. Father remembers the old tradition: the water will not return unless sacrifice is made.
